

Depot Garden. Initiated effort to improve turf condition at Llano Dog Park. Applied weed-n-feed in spring, financed by Go Fund Me account for that purpose. Volunteered to man refreshment tent at High School for Ladies In Leather. Regularly pick up trash at east entrance & first intersection in Rio Llano subdivision. Instrumental in halting RV park from being developed at east entrance to Rio Llano, (a multi-year project that took hundred of hours.)

Weekends & holidays since '07 working on our place here, and am now building our home. I would like to participate in the Chamber Board to be more closely involved in events & activities that support and promote Llano!
